### **About Sanofi Singapore**

Sanofi is dedicated to supporting people through their health challenges. We are a global biopharmaceutical company focused on human health. We prevent illness with vaccines, provide innovative treatments to fight pain and ease suffering. We stand by the few who suffer from rare diseases and the millions with long-term chronic conditions.

Sanofi Singapore houses Sanofi's regional head offices, and a strong Clinical Research Unit, which oversees clinical trials conducted in 150 centres across Southeast Asia. We also have a manufacturing facility in Singapore that is responsible in producing pharmaceutical active ingredient which is used in key Sanofi products globally.

With more than 100,000 people in 100 countries, Sanofi is transforming scientific innovation into healthcare solutions around the globe.
